(PART TWO)

CONTRACT

The services and equipment being procured by this Contract No. CH-900, Task Order #4, Amend. #1 are in furtherance of the National Defense Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956

The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

Task Order No. 4 provided for a study of a photographic reconnaissance system in connection with the [] Program. The study covers a period of approximately 3 months. This Amendment No. 1 has been drawn to allocate the remaining funds due under this contract.
